

FOR IMMEDIATE RELEASE

ONE RESIDENCE INTRODUCES NEW UNITS

One Residence as one of the premium apartments in Batam City, today, presents Autumn Festival with Bunga Citra Lestari. The event which is held specifically for prospective residents and prospective buyers of One Residence is expected to provide the latest information about the construction of the apartment.

Batam, 28 September 2017 - One Residence is a premium apartment owned by PT Retzan Indonusa, a subsidiary of PT Indonesian Paradise Property Tbk. An apartment that carries the concept of Private Residence is located in the central of Batam city, Batam Center. One Residence's sales unit has now reached 70% since it was marketed in March 2017. To indulge these customers and prospective buyers of apartments, One Residence again makes an event with the theme Autumn Festival with Bunga Citra Lestari and Angels Percussion at HARRIS Hotel Batam Center.

Reagan Halim, Chief Project Marketing of PT Indonesian Paradise Property Tbk, explained that on this occasion One Residence also introduced a new unit type called The Garden House. This unit has 2 floors, making the apartment unit become more spacious and comfortable. "As the name implies The Garden House, each unit has private access to Terrace The Garden. The units offered are very limited and there are only 5 units. The Garden House unit has 3 bedrooms and 2 bathrooms."

One Residence apartment with tagline Living at the Edge of Luxury has 8 Element of Quality Living facilities that never existed before in the city of Batam, some of which are The Promenade, Infinite Seaview Pool, La Foret Entrance and Viewing Deck. Not only that, One Residence is adjacent to Ferry Terminal Batam Center which is the international access to Singapore and Malaysia. This makes One Residence a new icon in the city of Batam. The facility and the strategic location of the building make One Residence the main choice as a residence or investment.

One Residence offers a golden opportunity. This month One Residence provides 48x light installment promo and KPA Installment KPA Rp7.8 million/month. One Residence provides easy access to the convenience of living in the city, especially the city of Batam.
